**IMPORTANT!!**

## **GENERAL INSTRUCTIONS**

### **HANDLING INFORMATION**

FIT & FUN PLAYSCAPES ARE DURABLE; NOT INDESTRUCTABLE. STENCILS SHOULD BE HANDLED BY AT LEAST **TWO (2)** PEOPLE AT ALL TIMES, INCLUDING APPLICATION, REMOVAL AND STORAGE.

DO NOT REMOVE TAPE OR PAPER MATERIALS WITH ANY SHARP OBJECTS SUCH AS KNIVES OR CUTTERS.

STENCILS SHOULD BE COMPLETELY DRY AND FREE OF DEBRIS BEFORE STORING.

IT IS CRITICALLY IMPORTANT TO WIPE STENCIL OF EXCESS PAINT BETWEEN APPLICATIONS AND TO NOT TWIST OR HANDLE STENCIL UNEVENLY OR ABRUPTLY WHICH MAY RESULT IN BREAKAGE. LEVEL OF CARE IN HANDLING, WHICH WHEN PROPERLY EXERCISED WILL INCREASE REUSABILITY OF THE STENCIL.

REFER TO THESE INSTRUCTIONS AND THOSE CONTAINED WITHIN THE APPLICATION INSTRUCTIONS TO ENSURE PROPER HANDLING.

### **RETURN POLICY**

PLEASE CHECK PACKAGE FOR ALL PRODUCTS IMMEDIATELY UPON RECEIPT. IF ANY PRODUCT IS DAMAGED OR MISSING, PLEASE CALL FIT & FUN PLAYSCAPES WITHIN 10 BUSINESS DAYS OF RECEIPT. FIT & FUN PLAYSCAPES WILL DETERMINE CAUSE AND SEND YOU A REPLACEMENT IF DAMAGED DURING DELIVERY OR FOR ANY MISSING STENCILS.

ALL SALES ARE FINAL. NO REFUNDS ARE GIVEN FOR USED OR MISHANDLED PRODUCTS.

IN THE EVENT BREAKAGE OCCURS DUE TO MISHANDLING, NO REFUNDS ARE GIVEN. BROKEN STENCILS DUE TO MISHANDLING CAN BE TAPED TO EXTEND USE.

FIT AND FUN PLAYSCAPES IS NOT LIABLE FOR ANY DAMAGED PRODUCTS RESULTING FROM IMPROPER HANDLING AND REFUNDS WILL NOT BE GIVEN FOR MISHANDLING STENCILS.

# **APPLICATION CONSIDERATIONS FOR LOCATING, WEATHER & STORING YOUR STENCIL**

## **LOCATING YOUR STENCIL**

For best results, it is recommended that the location of the stencil and resulting game should be located in an area:

1. with no pooling or ponding of water;
2. that is relatively flat;
3. on pavement that is free of cracks and completely dry;
4. on pavement that was swept clean of any debris including rocks, pebbles, dirt, sticks, etc.;
5. on pavement that is free of other paint, oil or residue;
6. in a location where supervision of children is sufficient; and
7. on pavement that has cured for at least one year.

Open each stencil and lay flat to allow stencil to re-shape if rolled for extended period of time, approximately 24 hours. Curled edges may need to be taped.

## **WEATHER CONDITIONS FOR PAINTING**

Check with your local hardware store and paint manufacture for recommendations regarding optimum weather conditions and paint before application. As a general guide, the following conditions should be considered:

1. Temperature – Warm and cool conditions are best. Extremely hot, cold or freezing conditions are not recommended at all.
2. Weather – Application during humid, rainy or any precipitous weather or immediately following humid, rainy or precipitous weather should not be performed. In addition, consult your local weather forecast so that no humid, rainy or precipitous weather is anticipated within 24 hours of the completion of any painting.

## **STORING THE STENCIL**

Each stencil should be dry and wiped free of large areas of paint. Stack the stencils upon each other and roll or lay flat for storage. Store in a cool, clean and dry area. Do not store in direct sunlight or near any flames, heater, heating elements or appliance or tool giving off heat.

## STENCIL PAINTING SUPPLIES

The following materials are typically needed for stencil painting projects:

1. Liquid paint of various colors\*
2. Non-skid resistant additives (consult manufacturer or paint store)
3. Paint brushes and rollers of various sizes: ½ inch to 1" brushes for numbers and details, 3" to 9" rollers for larger areas and fields
4. Tarps with plastic lining or plastic sheeting of 100" width by 100" minimum to lay "wet" stencils upon in between applications
5. Paint mixing sticks
6. Buckets and cans for extra paint and clean-up
7. Bucket of water, rags and sponges for clean-up
8. Newspaper and rags for clean-up
9. Tape, if conditions warrant
10. Gloves, if desired
11. Chalk, if desired or indicated in Application Instructions
12. Brooms or leaf blowers to clear pavement

\*To achieve multi-colorful effects as shown on the Fit and Fun Playscapes website, a combination of paint colors is recommended.

## PAINT SUGGESTIONS

There are a number of liquid paint options available to use and the best products are typically those of high quality. Refer to the Paint Suggestions on the following pages that are a sample of only some of the paint options that may be available and appropriate for your stencil project.

**Spray paint is not recommended as it has been known to degrade the stencil material.**

The Paint Suggestions have been collected from past customers and are known to provide varying degrees of longevity. Longevity depends upon characteristics of the paint, pavement and environmental conditions.

Fit & Fun Playscapes assumes no liability regarding the durability or performance of paint or painted surfaces. All manufacturer instructions should be followed.

# PRO-PARK<sup>®</sup>

YOUR DIRECT LINE TO PREMIUM PAVEMENT MARKING.

PAVEMENT MARKING PAINT

## TOP-OF-THE-LINE STRIPING STARTS WITH PRO-PARK®.

Pro-Park is an excellent choice for any facility with a parking area, from shopping centers and recreation facilities to office and apartment complexes. This premium waterborne acrylic alkyd striping paint has excellent chemical

and dirt resistance and provides exceptional adhesion to concrete and asphalt surfaces. It is the perfect solution for marking parking lots, freshening traffic lanes and enhancing curb appeal.

### PRO-PARK KEY BENEFITS

- Highly visible formula is ideal for highlighting curbs, identifying handicapped and emergency zones and defining traffic boundaries.
- Meets the most stringent VOC regulations.
- Compatible with airless line strippers, and can easily be applied with a brush or roller for small jobs.
- Delivers long-lasting performance.
- Available in white, yellow, blue, firelane red and black in 1-gallon and 5-gallon containers.
- Readily available at 3,500 Sherwin-Williams stores every day — no need to place and store large orders.

### PRO-PARK IS BROUGHT TO YOU BY A NAME YOU KNOW AND TRUST.

For more than 145 years, Sherwin-Williams has provided contractors, builders, property managers, architects and designers with the trusted products they need to build their business and satisfy customers. Pro-Park is just one more way we bring you industry-leading paint technology — innovation you can pass on to your customers.

Plus with more than 3,500 stores and 1,800 sales representatives across North America, personal service and expert advice is always available near jobsites. Find out more about Pro-Park at your nearest Sherwin-Williams store or to have a sales representative contact you, call **800-524-5979**.

A skid-resistan texture additive should be mixed into paint; consult paint manufacturer for specific compatible products.

Fit & Fun Playscapes assumes no liability regarding paint or painted surfaces. All manufacturer instructions should be followed.
