

Stencil Information Summary

Have some questions? We've outlined the most common questions and answers for you in this handy summary. Great for learning more about how Fit & Fun Playscapes works and sharing with your team.

**HAVING FUN,
GETTING FIT** Learning Along the Way!

Everything you need to know about our stencils!

Stencil Material

Re-usable, full scale templates

Commercial grade, plastic type material (call for details if needed)

Lightweight but durable

No painting experience needed to apply

How it Ships

Large stencils are rolled, smaller stencils are laid flat.

Arrive in a cardboard box or tube

Protective film on some stencils which can be peeled before or after painting

What's Included

Illustrated application instructions

Game ideas

Planning guide

Paint suggestions, supplies list & estimates

List of how many people are needed to paint

Limited, multi-site license for up to 10 locations

Paint Information

Paint is not included in your order but estimates on amounts needed are included.

Liquid paint recommended - see paint suggestions

Suggestions are provided for color and type; however, choice is up to you.

Depending on location, pavement conditions, type of paint, etc., paint can last 3-7 years, slowly fading over time.

Clean-up & Storage

Clean with soap and water immediately after use, no cleaner or solvents. Some paint will stay on if not cleaned immediately.

Large stencils that can stand up on own can be rolled. Smaller stencils and stencils with lots of cuts can be stored flat.

Store when completely dry.

Payment Terms, Returns & Warranty

Payments can be made online, by check, money order, credit or debit cards, or purchase orders on official letterhead

Items are cut to order and returns are not accepted. All sales are final.

If any stencils are damaged during shipping or missing, please contact us within 10 days of receipt.

Due to various parties that can use purchased stencils, no warranty is provided; however, if standard of care is taken, then the stencils should last for 8-10 years, subject to many variables. If you are not satisfied with our products, please contact us immediately.
