ALL STENCILS ARE REUSABLE, MADE OF A PLASTIC-TYPE MATERIAL AND COME WITH A MULTI-SITE LICENSE. PLEASE CHECK OUR WEBSITE FOR FULL TERMS.

ALL PAINT AND SUPPLY QUANTITIES ARE "BALLPARK ESTIMATES" BASED UPON AVERAGE PAINT COVERAGE OF 200 SF PER GALLON OR 50 SF PER QUART USING 1 COAT OF PAINT AND TYPICAL ASSUMPTIONS ABOUT SUPPLIES NEEDED. ACTUAL COVERAGE MAY VARY. QUANTITIES ARE APPROXIMATE.

FIT AND FUN PLAYSCAPES RECOMMENDS USING SHERWIN-WILLIAMS PAINTS; HOWEVER, THIS IS NOT REQUIRED TO APPLY STENCILS.

Fit and Fun Playscapes assumes no liability regarding the amount of paint or supplies estimated, durability or performance of paint or painted surfaces which can vary depending upon skill of those painting, wasted/ spilled paint, type of paint, porosity and surface of pavement, weather and regional conditions, thickness of coats, etc. All manufacturer instructions should be followed as provided on the paint can labels.

Number of volunteers needed and application time information can vary greatly depending upon skill of those painting, experience using stencils by those painting, weather during painting and layout of stencil patterns. This information is provided as a "ballpark" estimate only and Fit & Fun Playscapes assumes no liability regarding the accuracy of this information.

Supplies are based upon general application methods and actual supplies needed can vary significantly. If a stencil is repeatedly painted, consideration should be given to using rollers instead of brushes, in some applications. New pavement should be completely cured before application of paint.

Actual color of paint on pavement can vary from what is shown on Fit & Fun Playscapes website, brochure or any other printed or digital publications.

Consulting with your local paint store representative about specific regional paint suggestions is recommended.

STENCILS MAY NOT COMPATIBLE WITH SPRAY PAINTS. FIT & FUN PLAYSCAPES IS NOT RELIABLE FOR DAMAGE TO STENCILS FROM USE OF SPRAY PAINTS.

Fit and Fun Playscapes is not liable for any errors resulting from the above paint and supply information.

Refer to Fit & Fun Playscapes Paint Suggestions for general application considerations and paint can label for specific application considerations.

PLEASE READ FIT AND FUN PLAYSCAPES "GENERAL INSTRUCTIONS" FOR MORE IMPORTANT INFORMATION ABOUT THE STENCILS
